PROFESSIONAL SUMMARY

Program and operations leader with 10+ years of progressively responsible experience leading teams, managing multimillion-dollar resources, and executing complex initiatives in high-accountability environments. Experienced in program execution, workforce planning, process improvement, resource allocation, risk management, performance reporting, training operations, and stakeholder coordination. Known for translating broad priorities into executable plans, creating repeatable processes, and improving performance through clear ownership and data-informed decisions.

CORE CAPABILITIES

Program Management | Project Execution | Operations Management | Strategic Operations | Cross-Functional Leadership | Workforce Planning | Process Improvement | Resource Management | Risk & Issue Management | Performance Analytics | Stakeholder Management | Change Management | Training Program Management | Executive Communication

PROFESSIONAL EXPERIENCE

United States Army | Selected Experience from the Most Recent 10 Years

Senior Operations / Program Operations Manager

2024-Present

(Operations NCO / Platoon Sergeant)

- Direct multiple concurrent operational workstreams spanning workforce readiness, training, communications, scheduling, and resources; continuously balance competing priorities, surface constraints and risks, and provide senior leaders with decision-ready status and required actions.
- Convert broad leadership priorities into executable plans by defining ownership, sequencing work, coordinating timelines and dependencies, tracking progress, and driving follow-through across teams in changing operating conditions.
- Integrate personnel, equipment, communications, and operating information during large-scale activities, preserving continuity, accountability, and decision visibility as requirements shift.
- Conducted 50+ formal performance evaluations for subordinate personnel, assessed results against organizational standards, documented strengths and deficiencies, and built targeted development plans to improve accountability, professional growth, and team readiness.

Training Program Manager

2024-2025

(Brigade Instructor / Technical Training Program Leader)

- Planned and executed 15 large-scale technical training programs serving approximately 4,800 personnel; coordinated staffing, schedules, resources, safety controls, and quality standards with zero accidents or injuries.
- Delivered 800+ hours of technical instruction to 500+ learners and contributed to a 90%+ qualification pass rate by standardizing delivery, monitoring results, and adjusting instruction based on performance gaps.
- Supported training and mentorship for approximately 12,000 personnel annually and coordinated a multinational program involving 30 Royal Thai Army and 12 U.S. teams.

Junior Operations Manager / Team Manager

2021-2024

(Weapons Squad Leader / Section Leader)

- Led a multi-function team responsible for workforce readiness, maintenance, training, safety, and more than \$4M in equipment; established ownership, review routines, and operating standards that sustained accountability and readiness.
- Managed broader assignments involving more than \$6M in operational resources with 100% accountability through routine checks, documentation, maintenance follow-up, and leader verification.
- Built a measurable performance-improvement process using baseline data, coaching, feedback, and repeated assessment; raised the team performance average from 509 to 526 and later to 537.
- Coordinated complex readiness and training events across staffing, equipment, logistics, maintenance, and scheduling requirements; selected as the top-performing leader among 18 peers.

Workforce Development & Onboarding Manager

2019-2021

(Drill Sergeant / Senior Drill Sergeant)

- Managed onboarding, development, scheduling, performance evaluation, safety, and accountability for cohorts of up to 60 personnel; trained, coached, and mentored more than 1,600 people through structured 10-week programs.
- Coordinated movement, staffing, resources, and accountability for more than 900 trainees with no loss of personnel or equipment while maintaining strict timelines and performance standards.
- Provided structured coaching, feedback, and corrective development throughout each cycle; recognized as Drill Sergeant of the Cycle for leadership, mentorship, and execution.

EDUCATION

M.S., Enterprise Artificial Intelligence, Boston University | Expected 2028

MBA, University of Illinois Urbana-Champaign | 2026

B.S., Exercise and Health Sciences, American Military University | 2024

TECHNICAL SKILLS

Microsoft Excel | PowerPoint | Teams | Word | Microsoft 365 | Data Analysis | Performance Reporting | Project Planning
| Resource Forecasting | Process Documentation | Technical Writing | AI-Assisted Workflow Development
